### EDUCATION

Diploma Engineering  
Polytechnic 2nd Year  
BKIT Sakoli

### OPEN TO

Creative Developer Intern |  
Web/App Intern | AI  
Integration Intern

### CORE STRENGTHS

- UI visualisation and frontend implementation
- Product thinking, demo storytelling, fast prototyping
- Critical thinking under short deadlines
- Collaborative project building and pitch support

### TECHNICAL SKILLS

#### Web

HTML, CSS, JavaScript, React (learning), Three.js (exploring)

#### Mobile App Development

XML, Flutter

#### AI Tooling

AI-assisted workflows, prompt iteration, product integration

#### Programming

Java, C++, basic Assembly

#### Workflow

Firebase basics, GitHub, deployment basics

#### Creative edge

User flows, visual systems, product demos, presentation clarity

### PROFILE

Diploma engineering student building across web, mobile app interfaces, AI tooling, and product demos while learning deeper every week. Strongest edge is visualisation: turning rough ideas into clear UI flows, product stories, demos, and screens people understand.

### SELECTED PROJECT WORK

#### Cyber Raksha v1/v2

Helped ship a cybersecurity awareness platform across app/web/PC presence. v1 won Diamond Award and 1st place at GHRSTU INNOVEX-26; v2 improved bugs and

#### Pashu Raksha / PashuMitra

Integrated an offline chatbot utilizing a local AI model for cattle disease detection. Built entirely during an intense 24-hour hackathon sprint under

#### MVP Genie

Built with interactive parallax UI and AI context memory integration, shaping the landing page into a stronger AI-product story.

#### Smart Leads Dashboard

MERN stack project for managing business leads, with frontend UI, CRUD operations, lead states, filters, and export-ready flows.

#### JGU University Site

Modern, tech-driven UI clone with polished navigation, responsive layout, and admissions-style presentation.

#### Sanghx.in

Built and operated local food-ordering flows with WhatsApp operations. Reached 200+ paying orders in 20 days through word of mouth, with real users and real

#### Eatlo.food

Helped adapt the food-ordering playbook for another city launch with frontend/product support and ongoing expansion work.

#### Sankalp Bharat 2026

Team PANDA reached Top 16 nationally among 800+ teams. Contributed product thinking, pitch flow, and rapid build execution under pressure.

### ACHIEVEMENTS

- Diamond Award, 1st place - GHRSTU INNOVEX-26 Tech Manthan, 12 March 2026
- Top 16 - Sankalp Bharat 2026 national hackathon, 800+ teams
- 200+ real local orders through Sanghx.in in 20 days

#### Honest resume note

Current skill levels reflect active learning and real project work, with steady improvement through each build.
